475 Riverside Drive, New York, NY 10115 (212) 870-3400

Dear Friend,

Regarding the 2005 General Service Conference recommendation that:

"the trustees' Committee on Public Information take the initial steps proposed to determine the feasibility of replacing two videos, "AA – Rap With Us" and "Young People and A.A., " with estimated initial project costs not to exceed \$20,000, and report back to the 2006 Conference Public Information Committee."

The trustees Committee on Public Information has developed the attached questionnaire, and is requesting your help in gathering the widest and most diverse sharing possible from young people regarding the videos "Young People and AA and "AA Rap With Us." The trustee's Committee on Public Information is asking that you reach out to young people in your local AA community, in the manner that you consider most suitable, and distribute and collect the enclosed questionnaire after the member(s) have the opportunity, of viewing these two videos.

The trustee's Subcommittee on Videos for Young People is available as a resource, in any way that may be of help to you in your efforts.

The trustee's Committee on Public Information is asking that the questionnaires be returned to the General Service Office no later than December 9, 2005.

We are grateful for your service and efforts on behalf of the General Service Board of Alcoholics Anonymous. If you have any question regarding the questionnaire or this process, please contact me at (212) 870 - 3119 or at [Publicinfo@aa.org](mailto:Publicinfo@aa.org).
